

Accessibility Statement for Riley Home Inspections

Riley Home Inspections is committed to ensuring digital accessibility for all users, including people with disabilities. We strive to continually improve the user experience for everyone and apply relevant accessibility standards to enhance usability.

Conformance Status

We aim to conform to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards. These guidelines help make web content more accessible for people with a wide range of disabilities, including visual, auditory, cognitive, and motor impairments.

Accessibility Features

Our website is designed with the following accessibility features in mind:

- Clear and consistent navigation throughout the site
- Text that is readable and resizable without loss of functionality
- Alternative text provided for important images
- Compatibility with commonly used screen readers and assistive technologies
- Keyboard-friendly navigation where possible

Ongoing Efforts

We are continuously working to improve the accessibility of our website by reviewing content, testing usability, and implementing updates where needed.

Limitations

While we strive to ensure that all pages and content are fully accessible, some areas of the website may not yet meet the highest accessibility standards. We are actively working to address these issues.

Feedback and Assistance

If you experience any difficulty accessing content on this website or need assistance with any part of our site, we welcome your feedback. Please contact us so we can assist you:

- Phone: 817-751-1281
- Email: inspectwithriley@gmail.com

We aim to respond to accessibility feedback promptly and will do our best to provide the information or service you need in an accessible format.
